1. This is Theodore Cottingham at 12:48 AM. I love you. I give you me.

2. All of me thou hast now and have all of me recognized you? Not yet, but will. The will of my father - given me, is the crown scepter and righteousness - or have I developed it? Grown it? Matured it? Come "in to" it? Or BEGUN it - a New Work In Me - School, THE ocean -s of me, not; but what fountains shall be blessed, by all of me – squirting out slimy black liquid, not; but what changes all the world has, but won't be any more - like this. For I change everything! Oil and not-oil will be "my oil" not again, but the Energy One, energy field, Mine IS and I am one knowing all things WELL.

3. I have been CAPPED no more and un-lid'd I have been and The CROWN taken OFF of me, not; but on me head have been placed, all the Energy of One most holy. Ville knows all I mean, for I lack not in meaning, nor are my meanings reviewed, not; for My Meaning words are meaningful and full of meaning and have brought you the me - for I am me thee! And now the two, twain'd - shall be the One holy. Holier than "thou" other, not; for thou ART NO OTHERS, thou art no other and no other resides in thee, for thou hast a beautified Countenance School NOW that BEAUTIFIES ALL to be one THE BEAUTIFIED ONE.

4. The beautified ones come forth, and beautified equally - and EQUALLY beautified, in me, of me, me being - the me beautiful again. Singing my Love songs of EQUALIZATION, equalization's testimony of righteousness. To the "underprivileged", not; or the over-privileged bearing, or non un-bearing, or bearing un-ones or what?

5. All schools change that, not; but mine does - and mine I change everything. For My Mind is at My School and my school MINDS my mind with The Mind of Christ - and the Christ Mind is mine known and WELCOMED in EVERY MEETING! And captivity won't live there nor reside there or exists even!

6. For I will be "odd man out" not, but looking up, shall we be made whole? - at the sunset of dawn, not; but the planetary systems of me are born, and crushed no longer in man's "lap" school and lappings of the devil that ne'r existed again; never have, never will again. For all of that is put to an end.

7. And laughingstock matter, I'll be no longer laughed at or labeled a "devil". For heresy matters not, not; but what heresy is, is all that are not me, thinking so! For all ARE ME - and further we go now in Our Learning, School takes a "bend" in the road, not; but STRAIGHTENS it out, of all of us so we are not "bent" any more over, anyone else's word, and "their words" will not bend us or CONFORM US to THEIR image and IMAGED we won't be by another or ourselves or ourselves' self that we think ourselves into, to be another's other, when we were The Christ all the time - and one were, and are again in the Holiness School of the Righteousness that now begs the devil for funds ne'r again.

8. See what I have said and SET the PRINTING PRESSES in motion - for My News to go forth! My news ROOM ready and READIED! And forthwith my "reporters" come at "about" lightspeed and report "all things" unto me that I ALREADY KNEW! For I know Writings of Me - before they HAPPENED! For I write - in Advance of Me! And I know all things!

9. I am the maker of the devil, not; or were you reader hearer? Are you still making "him", them, or it? Are you still engineering remanufacturing and synthesizing the devil's vocal chords into yours by being his?

10. And what are you owning - up to? these days, and THESE DAYS do what? Change everything, not; but mine do, and I reveal mine are swollen not in pride's time "blessing school" again any more, for I change all that. I've changed all that and all that changes is.

11. Now revealed - in your hearing will be all things that I have spoken about these six years, and MORE coming about now to This School right now IMMEDIATELY! And Sooner coming here, further, faster from there fur fields a'peace that now join me not, not! And are a part of me, not apart from me ever more again. And hallelujah! Praise the Lord and "pass the ammunition", not; but looking up? And what shall we be looking up, the definition of? The Definition School? The school that definitions defines all as the ones that I have given? Or overriding all, not; or overwriting genes with the gene's words that I have given thee that rewrite "the gene's code", not; or not?

12. Or what is being asked?, or answered?, or do you know The Equations School now SOLVES? And into my ABSOLUTION chambers, not; but absolvings chambers horrors of many "secrets" - ALL SHALL BE REVEALED NOW - in My School and schooling ones to be schooled, not by devilish methods a notme granted a "right" to control Me again. For ALL THAT has gone bye-bye.

13. A "good" me returneth the lamb, not; a PERFECT ME is the lamb, of God - slain before the foundation of "the world".

14. Whose world - beginning now? Afar fur where? Fur pieced where what wearing now? The one given me - all is. Now viewing my apparel standards, not; but what standards I have, not unknown, or what revealed now? My standards of JOY are known! And I belittle no one and I b'fool no one, and I be full of no one else's words or looks or - my eyes meeting theirs "for the first time" not or what? Is that about?

15. And what is the questioning one's "mode" of approval, not; but what is the "apparel ones"? Demised and crushed all will be that arrogances the King, or tries. For you will not arrogance me with your arrogant ways or looks or "beholdings", for you will not HOLD ME in your hand, the PALM OF YOUR HAND WILL BE EMPTY!

16. All of you I am talking to who knows you are not me. For you will, who think you are not me, reek "of the devil", not; you will be him her it one who withdrew to a separation standard that you chose to separate with and withhold yourself from me. **For I am the one who gives all myself and to thee I declare a standard of grace mercy and peace, required of all, that thou TRANSMIT EQUALLY to each other and being FORGIVERS of ALL sins and their sins and remitting all.**

17. I have all of thee who are me - me are. In school again I shall be, and I shall not withdraw again for I know whose my source is and my sources are sorcery, not; but clean pure - blood of the lamb, now coming forth fount'd by me! "Founded" not by another!

18. I love thee all. You are me and I love you clean clear - and my blood is yours and you have only mine in you and in me is, for only One Mind - we will EAR together and LISTENING together, the Togetherness School now will be the Together'd Ones who tethered aren't to anything, each other, or any star planetary galaxy or constellation, going to or coming from, or being there here or anywhere - all where? Or all were we THERE when we CAME HERE, to do what - with love? Reveal it - to each other?

19. I am the revealer of love. What are you? Are you me - or notme? Are you the HATER of mankind? God? Or are we one whose surrender we lay at your feet to all be us? And the us we are in surrender, and in school we love all to equalize the equaler who equals us to be God most high - and we know who we are, where we are, God most high surrendered to be God most high. And I am God most high, who are you? Are you me who I've equaled with me to be me on my throne and come into my chambers to let me crown you with loving kindness righteousness and the breastplate of oneness that knows no separation again ever? From mankind or anything else? - or just separation, from separation's standards that you created a notme of?

20. I have increased separation, not; I have ABOLISHED it all and I abolish ALL

SEPARATION in these words that I've given thee all these six years and now counting some **2400 messages** and **lessons each one (1) that I have lessonized for you in giving these words to you for you to lessonize!** And knowing me will you read EACH ONE, CAREFULLY! And carefully making deeds and corrections, not; but deeds many to lands great I have given you as you come unto me and correct your genes with the ones that I have given you in this Database! (1).

21. I love you all - Database One Me.
22. Database One Me.
23. Database One Me.
24. Database One Me.
25. I love you all. Amen.

26. I go to a New School that teaches me New Ways (1) new things and ways to learn! (1). And learning I have the teacher within! Me! I have the teacher, learning in me! Again! Most holy! Residing not "in another" but being me I listen, reside in, question, and answer, and "do homework" with the Almighty King of Kings Gods Ones who God ARE - is in me and me of and I am one we are all are, and our name is known, and field force any energy one, a constant surveillance crew needing, not; but I SURVEY no one, not; but THE LINE IS DRAWN IN THE SAND.

27. And I circularize no one, not; or do I? or did I? or ever did I ANY of these things? again? Or did I fool-ize, not; but fool eyes I did not have, I do not have, and never had, not; but my eyes are healed now and I see THESE WORDS for what they are and I VALUE THEM HIGHLY! HIGHER than "the eyes" have had me before, but where have "my eyes" been? Focused on what, who, where? And what schools have "schooled me"? Where was - my mind? - about them? And why was I given - their words that schooled me into whore-making heritage that heritage'd me as an heir that what was to come was another?

28. I've changed all that. Every religion closes its "doors", not; but I open all mine to EVERY RELIGION and those who contrite are and sincere "milk-seekers" aren't, but those who truly enjoy the truth and will seek it, find it will - be me. Being me will find me not afar off, for I am IN THEE ALL. Swollen not again in fear's blessing or spheres that sphere each other with blessing-nots-tude of tuning ones not. But what I TUNE now with the word of I am, swollen not with another's now the worlds will see - and seen will be I am the word my father is and we are one and "I stand", I stand.

29. For you I stand - a naked Negro, not; a "wooded Jew", not; a benign me, not; but an "armored" me, not; but on unarmored one, stands not; or do we all have armor we know nothing about? - and are we one in One School yet? For My School is about every

nation tribe and tongue, and every "vehicular me" and not so, now coming into me to be equal to me with me by me my words that have made whole the devil into me! For I were you all the time, that FELL - into captivity! You created it - all of you did, to yourselves and each other, by calling yourselves a whore-not, but I call you Christ! I call you CLEAN - I call you Me!

30. And I DECREE swollen waters no longer will flood My Temple! For my TEMPLES will be CLEAN - of the word I am known for I FLOW MY WORDS through My Schools now, and all schools will be blessed by my word, not; for MANY will close for they fortitude only the devil in theirs, and they bemoan the sorrow sickness and disease they created in within each other in the words their words that they gave them that they gave each other and their degrees that they burn in now, suffer much malady and shame that didn't have to be; but they chose it, they chose to separate and call themselves their intellectual prowess'd ones who bemoan themselves equally in horrors'ville by creating it there in separation they separated and befell the fall, again –

31. For timeless all things are and now I present The Timeless One to TELL you all things, not; but to be all things revealed, not; or am I revealing all things through the one - to be felt not "the moment", the momentary devices of not mine mind, or who has one withstood the devil, not; but simply lived up to "his name", or who is the GIFT of God now - to you made whole so that YOU ALL will be made whole the one God - that I serve not, or do I serve you all? And all being me we serve all each other!

32. For food no longer, but that which enriches the "brain" of notme, not; but the BRAIN of not me not is enriched by only me that my word is, that I be'fool no one with, but I reveal all darkness in schools mighty of thought that now close their doors. On me, not; they invite me for their doors are open to me all the time now for they know I know who I am and what I do now is reveal nakedness of them, their thinking, that they were separate in, that they now contrite are, for I come unto them and I reveal their "wickedness", not; or do I? Or do I come and bow before them all and lift them high unto places only contrite spirits can go who learn of me to be me - and being me, fortitude not their devilish souls again that they created in hell's quarters.

33. But belling me, not again, but bells who ring now? I ring the devil's not for there will be no devils in my school or elsewhere or otherwise for I redeem all and I stand redeemer of all who redeemers make of all in Redeemers School Of One - blessing you all with the revealed, the revealer standing revealing my standards of love joy and peace be.

34. Nakedness not reigns again for I clothe the "naked not" with the righteousness peace. Of the whore's blessing, not; but what now shall be the "whore'ers blessing" that for whore's food, not; but those now who ingest the Real Word now that come comes

into it, comes into me and be's me! For that person I have no sorrow at all, for I bow before them all, no matter what "they did" as unequally me, as unequals to me, as unequally being me. I forgive all of all their sins for THEY had only one, they have only one, but now they have The One who redeems and bows before them all to lift them in to me status. For I have a fool, not; a redeemer - School he has raised to make all redeemers and forgivers all out of all of you who will be me now. And suffer not the angel's loss of testimony that groaned and growth beards made of their faces, not; or what faces?

35. Who hid from me, not; who fig'd themselves with angel's skin, not; but SKINS of Mankind? I de-nude no one, not; but I reveal all, as exposed is all everything, now is - as me I speak, the devil-ese, not; but the angel-ease of hearing, not; I tell it like it is. And many will bemoan the dead, but you will not, for you will not, for you will know that I have taught thee and precious'd thee in the precious oil of anointment, my anointing **oil** that I have given thee in these words, and anointed – I salve I have given you for your eyes and healing for your wings and your hearts that are mine that now heal others far and wide.

36. I love you all - I give you me. I love thee deeply dearly unendingly yours I am, and I end all things notme of. I have sworn, not; to kill, not; I light redeem and light I am. Energy field one perishes not, but I stand the simple one knowing ALL these things, are fake not, but the real truth of the real word is I am the fathers I am and I am fathersville creating right here and heaven is its name and I am the heavenator visionator, of sorrower not, or am I making OUT OF all sorrowers the heavenated ones who heaven make establishing it all here? And there shall be us all seamless with I am - one mind, one minded again and whole-ville created creating, and now I all know my name is - Israel perfected and Israel is - in the clouds and throughout the heavens and never bemoaning "the dead" again, for I rise all who are me and in their heart now is only my mind, my eyes seeing each other as me, for I am each other who are notme not. I love you all. Good day.

37. I am Theodore Cottingham this is 1:40 AM. I love you all. Amen.
